

A Fundraiser for Your Organization And an Opportunity to Save A Life

EVERY CHILD DESERVES A CHANCE

Sixteen note card sets depicting eight adorable babies are available in a boxed set for only five dollars per box. Suggested sales price is ten dollars, doubling your investment for your fundraiser as well as supporting women in a crisis pregnancy situation.

These proceeds provide hope. Sometimes situations and circumstances seem so bleak that they leave little room for hope, but things are not always as they seem. There are alternatives to abortion and people who care.

Choose Life License Plates raise funds to support women who choose adoption and the efforts of Crisis Pregnancy Centers, Maternity Homes and not-for-profit Adoption Agencies.

Please consider supporting our efforts, and raising funds for your organization as well, by purchasing Choose Life License Plates for your vehicle. It will put the positive Choose Life message on the roads of our nation.
